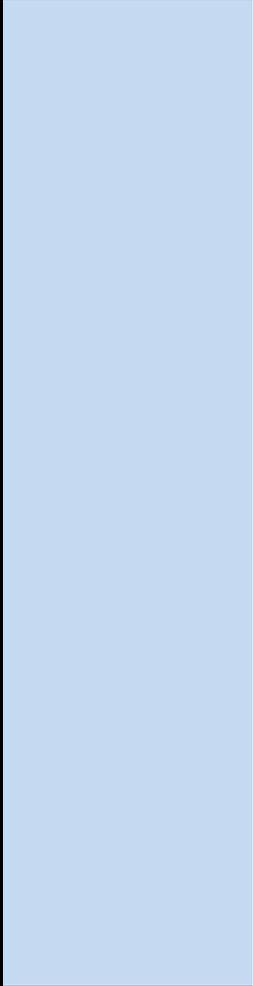

Figure 1: Modified extract from the Oakbridge Scheme Plan (overall plan) (DWG OSP.1/A) showing sampled areas as part of this investigation. Subject lots shaded green.

**Supporting Documents**

DO, Topsoil investigation report – Stage 13 Oakbridge Subdivision (subdivision of Lot 4000 DP 614632), File No.: 39630, Feb 2026.  
DO, Re: Soil disposal suitability – Stage 13 Oakbridge Subdivision – Lots 410 to 423, File No.: 39630, Feb 2026

**Notes**

Any 'mixed' loads containing inert materials (brick, asphalt, concrete) may be subject to levy.  
No non-compliant material to be brought to Wheatsheaf, such as (but not limited to) asbestos, steel, timber, plastic, green waste, general refuse, no more than 3% vegetative matter (grass, etc).

**Important Notes:**

- 1 Please ensure that **ONLY** the soil as described in the supporting documentation is tipped at **Wheatsheaf**. Should additional material require tipping, approval must be sought **PRIOR** to bringing any additional material to site. **Should unexpected material be uncovered during the works** which is contaminated or suspected to be contaminated **this material is not to be disposed of at Wheatsheaf until reviewed.**

- 2 **Material must not contain anything that may present a risk to human or animal health** such as, but not limited to, medical waste, radioactive waste, asbestos or hazardous materials, Cables, carpet, containers, electrical insulation, household waste, wet paint, wet or dry lead-based paint, plastics, wet asphalt, contaminated soils, dredging spoil, laminated wood, treated wood, separated metals, tar and tyres, hydro excavated waste or more than 3% vegetation.
- 3 Assurance from the SQEP / contractor has been provided to demonstrate onsite management of material, that shall **ensure only the material suitable for W heatsheaf is deposited at the Quarry site**. Responsibility for ensuring that the characterised material as documented by the supporting information is the material deposited at W heatsheaf lies with the author of the supporting document and the haulage contractor, with no liability held by Winstone Aggregates.
- 4 Should any unsuitable material be found at W heatsheaf Quarry, full and immediate removal will be required, at the cost of the customer. Penalties apply.
- 5 **All customers must hold an active account with Winstone Aggregates** regardless of any approvals. Please ensure the haulage contractor contacts us early to arrange pre-approval.  
**No cash payments accepted.**
- 6 No trailer sales or light vehicles can enter the quarry

Many thanks,

**Abi Teasdale**
